

So, despite injury and other difficulties we managed quite a lot in July!

### August / September 2014

It is easy to write about August because we did not dance at all. Work commitments mean that some members can only holiday in August while for others it is peak work time with little time for dancing. Added to that the injuries the side carried in July and a well-earned rest was enjoyed by all.

September opened with our AGM and a taster session to which a disappointing number of new members came (none!) Our last dance of the season, however, was a great success.

We joined the fun at the Southdowns Festival at Bognor Regis.

It was a lovely day: the sun shone, the crowds were large, we danced well (though we say so ourselves!) and we got to see the sea. We made new friends and had a really good time.

Here are some pictures, many of which were taken by Gillian Asher. Thank you

Gillian.

*Closely followed by another, taken at the Oyster Catcher, Yapton, where we assembled for some very nice food and beer after a hard day dancing. (I'm told the chocolate Mousse was divine)*
