

Deorfrith Morris

Deorfrith Morris is a mixed Morris side that dances both in Cotswold and Border styles. We are based at Deorfrith Lodge in Lyndhurst, where we practise on Tuesday evenings throughout the winter months from October to the end of April.

The side was formed in January 2011 by a group of friends who had already danced together for some time. If you are interested in this form of English traditional dance and are prepared to devote some of your time on a regular basis throughout the year, then speak to us at any of the events recorded in this programme.

If you have no experience, but would like to try morris dancing, then come along to our open evening at Deorfrith Lodge in Wellands Road, Lyndhurst on September 19th.
